Pay only a small deposit to start and secure a place in my client list. I work on a first come first served basis and I'm always booked up in advance.

Framing

Every framing is unique; therefore I don't have any framing prices here. Prices vary on several aspects, contact me for information.

Would you like to receive the portrait framed and ready to display on your wall? My framers work on a 3-5 week timetable, so please let me know if you would like a framed portrait upon ordering and I will ask for price.
